

Addendum to the National Points System (January 2021)

In consideration of the ongoing COVID interstate travel restrictions and requirements each State Government has in place, for the 2021 National Event Series and 2021 National Championships, JA will apply the following:

- 14 days prior to each event, Judo Australia will confirm if National points will be allocated at the upcoming event (Table A);
- National points will be allocated if all State and Territories are unincumbered by COVID interstate travel restrictions for the State in which the event is being held;
- If any travel restrictions are introduced within the 14 days prior to the event, that inhibit event attendance, points will be withdrawn from the event and notice will be provided by Judo Australia.

Athletes who are free of travel restrictions are strongly encouraged to demonstrate their commitment to National selection by attending events which encourage and support their athletic development.

Table A

EVENT	EVENT DATE	14 DAYS NOTICE
Melbourne International Open	14 February 2021	31 January 2021
